

NEW YORK--(May 23, 2022)—SkyREM, LLC, a leading privately held commercial real estate investment, development, and management company, (the “Company”), today announced that Kenneth Meszkat joined the firm as Chief Operating Officer, effective April 25, 2022.

Prior to joining SkyREM, Mr. Meszkat served as Director of Dispositions at DRA Advisors LLC, where he was responsible for over \$3.0 billion in sales transactions, and previously held a position in the office and industrial asset management group. Prior to his time at DRA Advisors, he held roles in the CBRE Investment Sales group as well as Portfolio Management at Deutsche Bank / RREEF.

As Chief Operating Officer, Mr. Meszkat will report to CEO Alex Dembitzer and lead the coordination and growth of the real estate business from the New York office.

Mr. Dembitzer commented, “We are excited to bring Ken on board as an experienced industry veteran with a diversified background in real estate investment to help coordinate and grow our business at SkyREM. I am delighted to welcome Ken to the SkyREM team.”

“I am excited to join the SkyREM team as COO and look forward to using my experience in the real estate industry help SkyREM build on its success, execute its growth plan and drive operational improvements across the organization,” said Mr. Meszkat.
